CARVER MATH-A-THON 2010

STUDENT NAME _____

TEACHER GRADE_____ GRADE_____

CARVER ELEMENTARY SCHOOL is conducting a MATH-A-THON and I would like you to sponsor me. We are striving to achieve greater academic excellence in our math skills and we are also raising funds for the PTA, which supports and funds many valuable programs at our school. On April 13th /14th, I will attempt to solve 25 math problems. Your tax deductible pledge will be the amount you pledge times the number of problems I work correctly. You may also choose to pledge a flat donation instead. I will return to collect the money after the test. Your check, made payable to CARVER PTA, will be your receipt. THANK YOU VERY MUCH FOR YOUR SUPPORT!
