

Free Money For Carver!!!

There is an easy way for Carver to raise funds. It costs nothing for participants, and takes you only 5 minutes to sign up. If we reach our goal of 100% participation, Carver could raise over \$50,000 annually! Sound too good to be true? It's not. Other schools are earning this kind of money. We should be too! *The program is eScrip.*

How does eScrip work? It's very simple. Carver supporters (parents, teachers, grandparents, etc.) register their credit, debit, and grocery cards online at eScrip. When registered cards are used at participating merchants, a percentage of the sale will AUTOMATICALLY be donated back to Carver. That's it! This is free, easy, and convenient. And, it adds up fast. For example, \$400 spent at participating markets (Vons, Hows or Pavilions) would result in a \$6 rebate to Carver. Multiply that by 20 families, and that's \$120 of free money!

Based on expenditures of \$400 per month, at participating merchants, the chart below illustrates the extraordinary fundraising power of the eScrip program. Expenditures can be for food, clothing, travel and entertainment, as well as miscellaneous family purchases. AND, keep in mind that with the eScrip program, extended family and friends who live in and out of town can also participate.
