

# SMHS Musical Patron Donation Form

SMHS has a proud tradition of staging musicals unparalleled by other high school theatrical programs. This year's production of *Grease* is no exception. However, we need your help recreating Rydell High in the 50's. Your financial support in the Patron Drive will help offset the expenses incurred by the school, such as script rentals, royalties, costumes, musicians, support staff and set design/construction. A portion of your donation to the

musical is tax deductible.

**Patron Donors will be recognized in the souvenir program.**
